

FORMOSA PLASTICS CORPORATION  
CARBIDE DIVISION

RM309, 4F, NO.201, TUNG HWA N.ROAD, TAIPEI, TAIWAN

TEL : 886-2-27178152~8153

FAX : 886-2-27193261

## **Food Contact Statement**

This is to declare that, the compositions of our products identified as:

**U-CAL™**  
**NANO CALMALON®**  
**TAISOWHITE™**

comply with the following regulatory requirements of U.S. Food and Drug Administration(FDA):

- 21 CFR 177.1520 Olefin polymers
- 21 CFR 184 Direct food substances affirmed as generally recognized as safe
- 21 CFR 178.3297 Colorants for polymers

and can be safely used in non-acidic-food contact articles with loading up to 50wt%.

### **Note:**

In the manufacturing of articles intended for use in contact with food, above products should be sufficiently integrated within the plastic materials and articles so as to preclude any significant migration into foodstuffs under normal conditions of use, as determined by an appropriate method.
